Dear

As a patient of Rhynie branch of the Inverurie Medical Practice, we write to inform you that the practice will end its contract with NHS Grampian to provide services at the branch practice at Rhynie, on **1 September 2025 and Bydand Medical Group (Huntly) will take over the operation of the practice.**

We appreciate that this will be a change for patients registered with the practice, but please be reassured that Inverurie Medical Practice will continue to provide Primary Health Care Services as normal and will hand over to Bydand Medical Group to ensure there is no disruption to your service.

The dispensing service at Rhynie will continue as normal.

In the meantime, if you have any queries regarding this letter, please call **03456 081206** or you can email aberdeenshireHSCP@aberdeenshire.gov.uk However, if your query relates to appointments or healthcare, please contact the practice as normal.

We appreciate this is an uncertain time but please be assured that along with both practices, we are making every effort to ensure any changes take place with minimal disruption to patients.

Thank you for your co-operation and understanding during this time of change.

Yours sincerely

Alex Pirrie
H&SC Partnership Manager (Central)
